Hi Ned
Yes it was S. Yizhar. Together with Haim Goorie.
I think Yizhar book which I've mentioned
Was Hirbet Hiz'eh (recently translated into English 2nd time. It's a booklet written originally in 1949 or 51 describing the expell of Arabs from a small village during 48 war through the eyes of young IL officer (SY I suppose).
A powerful book. Through certain modesty , no high profile shocking descriptions.
